**INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors  
The Arc of Loudoun  
Leesburg, Virginia

We have audited the accompanying financial statements of The Arc of Loudoun (a nonprofit organization), which comprise the statement of financial position as of June 30, 2014, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Arc of Loudoun as of June 30, 2014, and the changes in its net assets and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

### NOTES TO FINANCIAL STATEMENTS

#### Note 1. Nature of Activities and Significant Accounting Policies

##### Nature of Organization

The Arc of Loudoun (The Arc) was organized to advocate for persons with disabilities by promoting individual support and equitable participation with their non-disabled peers in all aspects of community life, including education, residence, vocation and healthcare. Our goal is to secure the full range of human and civil rights for children and adults with disabilities.

##### Significant Accounting Policies

The accounting and reporting policies of The Arc conform to generally accepted accounting principles and the reporting practices appropriate for nonprofit and voluntary health and welfare organizations. The nature of business and significant accounting principles are summarized below:

*Basis of Accounting:* The financial statements of The Arc have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

*Basis of Presentation:* Financial statements presentation follows the recommendations of the Financial Accounting Standards Board (FASB) as defined in the FASB Accounting Standards Codification (ASC) Topic 958, *Not-For-Profit Entities*. Under ASC Topic 958, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

*Cash and Cash Equivalents:* For purposes of reporting cash flows, The Arc considers all funds in banks and highly liquid investments with a maturity of three months or less to be cash equivalents.

*Plant Assets and Depreciation:* Furniture and equipment is recorded at cost or at estimated fair value at the date of gift. Donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Depreciation is computed on a straight-line basis over the estimated useful lives. Cost of major equipment additions are capitalized while normal repairs and maintenance are expensed as incurred.

*Contributions:* Contributions, including unconditional promises to give, are recorded as made. All contributions are available for unrestricted use unless specifically restricted by the donor. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Unconditional promises to give due in the next year are recorded at their net realized value.

*Income Taxes:* The Arc was granted exemption from federal income tax under Section 501(c)(3) of the Internal Revenue Code November 21, 1977. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2).

The Organization has adopted the guidance under ASC Topic 740, *Income Taxes*. Management has evaluated the Organization's tax positions and concluded that the Organization has taken no uncertain tax provisions that would require adjustment to, or disclosure in, the financial statements to comply with the provisions of the guidance. Income tax reporting years open for IRS audit include 2011, 2012, 2013, and 2014.

*Donated In-kind Goods and Services:* Donated services are recognized as contributions in accordance with FASB ASC, 958-605, *Not-for-Profit Entities*, if the services (a) create or enhance nonfinancial assets, or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the organization.
