

CELEBRATING MOMS AND MUSIC

You're invited to Music at the Manor Festival, a day-long celebration of family, friends, food, and of course, music—from blues to contemporary to rock! We'll feature the food, libations, and kids' activities that are the hallmarks of "Music @ the Manor", plus we're adding "Touch a Truck" (starring Loudoun County Fire-Rescue equipment and personnel), and a public auction (offering great deals on antiques, tools, bikes, grills and more) to make this year's event better than ever!

All proceeds benefit **The Arc of Loudoun** as we together embrace, educate, engage, and empower people with disabilities and their families who love them.

When: Saturday, May 11, 2019 from noon-8pm

Where: Historic 17-acres at Paxton Manor

What: Featuring bands, performers, food, wine, beer, local artisans, raffle, kid's activities, and a public auction

Tickets: Free Admission; \$20 VIP pass includes 2 drink tickets and VIP Hospitality Access

The Arc of Loudoun, located on a beautiful 17-acre "safe haven" in the heart of Leesburg, is a full-service nonprofit dedicated to providing an integrated and innovative environment for people with disabilities and connecting their families to the resources and support they need.

Open Door Learning Center equips preschool children of all abilities with the social and developmental skills needed to thrive in mainstream kindergarten.

The Aurora School helps significantly challenged students, primarily with autism, achieve personal excellence, gain independence and vocational skills for their life.

Ability Fitness Center is for people living with neurological disorders—stroke, brain injury, spinal cord injury, cerebral palsy—giving them a one-of-a-kind place to access specialized equipment and expert clinicians.

Aurora Behavior Clinic is where children with intellectual and developmental disabilities from the community have a highly-trained team of diagnosticians, Board Certified Behavior Analysts, Occupational and Speech Therapists, and ABA Therapists committed to their success.

We connected more than 4,000 people with disabilities, their families, caretakers, and professionals who work with them with the resources they need to live a life like yours through **ALLY Advocacy Center**.

We provide 500+ volunteers a place to serve, belong, and give back to their community.
