Are you passionate about helping to educate children? Do you have strong interpersonal skills and a high level of patience? Are you a leader with experience managing staff? Would you enjoy the challenge of working with students to help them increase their communication, social, and daily living skills? If you are interested in working to support individuals with intellectual and developmental disabilities, this may be the job for you!

### Job Description

**Job Title:** Behavior Lead

**Reports to:** Principal of the Aurora School

**Program Information:** Aurora School is a year-round K-12 Special Education Day placement school. Licensed by the Virginia Department of Education (VDOE) and accredited by the Virginia Association of Independent Specialized Education Facilities (VAISEF), Aurora School is a caring educational community that uses the principles of applied behavior analysis (ABA) to provide individualized education for students ages 5 to 22 with intellectual and developmental disabilities, primarily autism. Students receive Speech Therapy, Occupational Therapy, Physical Therapy, and Community Based Instruction (CBI) while at school specific to their needs.

**Summary:** Provide leadership and organizational management in the following areas: student behavior programming; behavior interventions; staff development; and parent training.

### Job Responsibilities

- Work directly with students who have disability-related behavior challenges.
- Assist in evaluating, developing, implementing, and maintaining behavior support plans.
- Assist in onboarding, mentoring, managing, and evaluating Instructional Assistants.
- Evaluate and provide ongoing feedback and training to Instructional Assistants.
- Gather and track student data using daily collection program.
- Work collaboratively with school administrators, special educators, Instructional Assistants, OTs, SLPs, BCaBAs, BCBAs, LEAs, and parents.
- Meet essential deadlines associated with data reporting, IEP plans, and behavior support plans.
- Implement Professional Crisis Management (PCM) techniques (training and certification provided).
- Comfortably accommodate flexibility in daily routines.
- Actively participate in Community Based Instruction (CBI) activities to help students generalize skills.
- Other job-related duties and responsibilities as assigned.

### Education, Skills, and Experience Qualifications

Required:

- Proficient reading, writing, and speaking English skills.
- Bachelor's degree in psychology, human services, education, or a related field.
